❖ **CHAPEL EMAIL** - We are moving to a different system to send out email to the congregation. We currently have two lists, one for prayer requests and one for Chapel information. We will be using a service called "Mail Chimp" to manage these lists. You will be able to click a link that will be at the bottom of any email to change your email address, subscribe or unsubscribe to the lists. Your email address will not be shared with anyone outside the Chapel. In the near future, we will verify that the system works and that our address list is accurate. To do that, an email will be sent on both systems and you will be asked to notify us if you didn't receive the one sent with Mail Chimp.
